Subject: Urgent - Adverse reaction reported - Metformin 500mg Tablets

Customer: City Care Clinic (Dr. Priya Nair)

Contact: +91-98765-43210

Product: Metformin 500mg Tablets

Product Code: MET-500-TAB

Batch Number: MF23119

Manufacturing Date: 2023-11-02

Expiry Date: 2025-10-31

Market: India

A patient prescribed Metformin 500mg (batch MF23119) reported severe nausea, dizziness, and a rash within two hours of taking the first dose. The patient was seen at our clinic and stabilized; no hospitalization was required but this is being reported as a suspected adverse drug reaction. We are requesting immediate review of this batch, its raw material certificates of analysis, and any related complaints. This is time-sensitive given potential patient safety impact.
