

AIVOA Pharma — Customer Complaint Intake

Customer: Sarah Alvarez

Email: s.alvarez@wellspringpharmacy.com

Contact: +1-555-902-4471

Product: Atorvastatin 20mg Tablets

Product Code: ATV-20-TAB

Batch Number: AT2402C

Manufacturing Date: 2024-02-20

Expiry Date: 2026-02-19

Market: United States

Complaint Type: Packaging/Labeling

We received a carton of Atorvastatin 20mg Tablets, batch AT2402C, where two of the blister strips inside were missing their printed batch number and expiry date - the strips were blank in that section while the rest of the carton labeling was normal. All tablets appear physically intact and normal in appearance. This looks like a printing/labeling line issue rather than a product quality defect. Please confirm if this is a known issue with this batch.
